Once you are logged in your Home Page will look similar to this:

1. Menu Bar-where you can search for Groups, People; see your Messages, Calendar, set up your Giving, and much more.
2. Quick look at upcoming events for Groups you are in
3. Any Activity in your Groups
4. Allows you access to your profile to edit your information, privacy, and log in, and set your availability to serve in ministries you volunteer in

Here is what your profile will look like:

You will have access to see your family, involvement, and much more. **Children will be hidden on Life on the Hill so they will not be searchable.** The Primary Contact of a family will still be able to see their children's profiles and edit information as needed for the family.

To search for and join Groups, go to the Groups tab on the left hand of the screen. You can enter in key words in the search bar to find what you are looking for. It will look like this:

Once a group is selected, you can join or request to join it based on the type of group it is. This will allow you to receive information about their events and communicate with Group Leaders and Members.

This will get you started on using Life on the Hill! If you have questions, please contact Susan Sawkins at susan@churchonthehill.com.
